

## A BI-WEEKLY INFORMATIONAL BULLETIN

### PENNHURST STATE SCHOOL and HOSPITAL

#### UNIT IX OPENINGS

Requests are now being accepted for personnel (all positions) for Unit IX. Unit IX will consist of four wards. Two wards will provide continued and convalescent care for male and female adult ambulatory residents with physical ills and disabilities (cardiac, ulcer, etc.) who are unsuitable for ward care in the other units and not ill enough to be hospitalized. The other two wards will provide maximum and continued care for children under 16 years of age, who are severely retarded and physically handicapped. The initial capacity of the unit will be 24 with an anticipated capacity of 60 in the foreseeable future. Please send requests to me in the Auditorium or call ext. 211.

Mrs. Shirley W. Kittenhouse, R.N.  
Unit IX Director

#### CIVIL SERVICE EXAMINATIONS

The examination for Child Care Aide I and Activity Aide I will be given June 16, 1971, at 9:00 a.m. for first and third shift employes and at 6:00 p.m. for second shift and part-time employes.

Applicants for the Child Care Aide I and Activity Aide I exams are required to have completed the basic nursing ed program prior to becoming eligible for the test. Any employe who has not completed this program, should contact his supervisor and arrange to complete the required sessions as soon as possible.

Lloyd S. Skole  
Training Specialist

#### RIDE NEEDED

I am looking for a ride to and from Pennhurst. I live in Phoenixville in the vicinity of Rt. 23 and Rt. 113. I work the first shift in Unit III. Please contact Robin Kerr at ext. 375.
